

Reengineering the **Steel Landscape**

**FORTIS
FORGE**

Manufacturer of :

- Forged Pipe Fitting
- Buttweld Fitting
- Forged Steel Flanges

(AN ISO 9001, 45001:2018 CERTIFIED COMPANY)

About Fortis Forge

"Forging Strength. Delivering Excellence."

Fortis Forge is a trusted name in the manufacturing of forged pipe fittings and flanges, committed to engineering precision, quality, and performance. Headquartered in Hyderabad, India, we specialize in delivering robust solutions that cater to the most demanding applications across sectors like Oil & Gas, Petrochemicals, Power, Construction, Infrastructure, Firefighting, and Marine industries—both in India and globally.

 Our Product Range Includes:

- Forged Fittings: 90° & 45° Elbows, Equal & Reducing Tees, Couplings, Unions, Sockets, Caps, Crosses, Swage Nipples, Boss, Bull Plugs.
- Buttweld Fittings: Elbows, Tees, Reducers (Concentric & Eccentric), Crosses, Caps.
- Flanges: Slip-on, Blind, Weld Neck, Socket Weld, Threaded, Lap Joint, Spectacle Blind.
- Coatings: Black (Japan), Hot Dip Galvanized, Electroplated, or Oiled finish.
- Materials: Carbon Steel (A105), Mild Steel (IS4712, IS2062), and ASTM grades.

All products are manufactured to meet global standards including ASME B16.11, B16.9, B16.5, MSS-SP95, BS10, DIN and others. Available in Threaded, Socket Weld, and Buttweld types across pressure ratings: 2000#, 3000#, 6000#, and 9000#.

 Quality Commitment

Every product undergoes stringent inspection protocols for dimensional accuracy, material traceability, and performance under pressure. Our facilities are ISO and MSME certified, and we follow rigorous QA/QC systems to ensure consistent quality.

 Led by Vision

Under the leadership of Dhruv Doshi, a UK-educated entrepreneur with a Master's in Entrepreneurship, Fortis Forge is setting new standards in the industry—driven by transparency, professionalism, and a customer-first approach.

 Why Choose Us?

- Global-Standard Manufacturing
- Wide Range of Product Variants
- Customized Solutions Available
- Prompt Delivery and Logistics Support
- Strong Technical Support & Service

Whether you're a contractor, trader, project consultant, or an EPC company—Fortis Forge is your dependable partner for high-performance forged solutions built to last.

PRODUCT RANGE

FORGED FITTING

Grades	: Carbon Steel, Mild Steel A105, IS1239 Part II.
Size	: 1/2" - 4".
Class	: 1000#, 2000#, 3000# for threaded. 3000#, 6000#, 9000# for Socket weld / Socketweld X Threaded.
Dimension STD	: B16.11, MSS SP95.
Products	: Elbow, Tee, Coupling, Cross, Cap, Out-let: Threaded, Socket weld, Profit cut coupling, Boss, Bull Plug, Swage Nipple, Barrel Nipple, Close Nipple.
Coating	: Galvanised :- Electroplating & Hotdip Galvanised. Colour :- Black Japan, etc Oiling.

BUTT-WELD FITTING

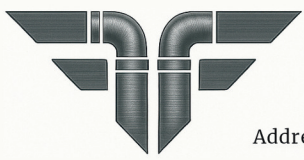

Grades	: Carbon Steel, Mild Steel ASTM A234 WPB, IS 1239 Part II, IS 3589.
Size	: - 1/2" - 36". Wealded/ERW :- 1/2"-72".
Schedule	: Seamless S/10, S/20, S/std, S/40, S/xs, S/80 S/100, S/120, S/140, S/160, S/xxs. Welded / ERW :- Heavy, Medium, Light.
Dimension STD	: B16.9, B16.28.
Products	: Elbow, Tee, Concentric & Eccentric Reducer, Cross, Cap, etc.
Coating	: Galvanised- Electroplating, Hotdip Galvanised, Colour- Black Japan, etc.

FLANGE

Grades	: Carbon Steel, Mild Steel A105, IS 2062.
Size	: 1/2" - 24" (forged flanges) 1/2" - 30" (Plate flange) (above 30" as per customer requirement)
Class	: Forged- 150#, 300#, 600#, 900#, 1500#, 2500# Plate - Table D, Table E, Table F, PN10, PN16 150#, 300#.
Dimension STD	: B16.5, BS10, DIN STD, etc.
Products	: Slipon, Blind, Weldneck, Threaded Flange, Socket weld Flange, Spectacle Blind.
Coating	: Galvanised- Electroplating, Hotdip Galvanised, Colour- Black Japan or Varnish.
